

CITY COUNCIL MEETING
SEPTEMBER 5, 1990

TRAFFIC CONCERNS EXPRESSED
REGARDING FIELD AND FAIR DAY

CC-16

Mr. Walter Pruss, 2421 Diablo Drive, Lodi addressed the City Council suggesting that in the future the City consider closing certain streets in the area of Hutchins Street Square on Field and Fair Day as he feels the vehicular traffic in that area at that time presents a real danger to pedestrians involved in Field and Fair Day activities.
